C-PRONE, your gateway to circular procurement

C-PRONE connects the existing networks, initiatives, and relevant actors and offers direct access to key resources to unlock successful circular procurement.

3 objectives, a multitude of activities

Facilitate the exchange of information

- Online and in person network meetings
- Trainings and workshops
- Participation in international conferences
- Information on upcoming events and activities

Create a body of knowledge

- Repository of good practices, studies, etc.
- Circular procurement helpdesk
- Bimonthly newsletter with updates on community and circular procurement news

Provide policy insights

- Access and understand the latest EU policy developments linked to circular procurement
- Exchange and inspiration for your regional and local policy

Participate in our dynamic community!

Become an active member of the C-PRONE community and benefit free of charge from all of its activities:

- meet with peers across Europe;
- exchange issues and success stories;
- get a direct access to events, project proposals, publications and much more!
